

## ANGAZON STAR (ANGIE) Half-Arabian #A132250 Registered Endurance Horse #566 Angie was born June 1, 1973 and is a half-Arab pinto. We bought Angie as a skinny pinto, four years old with a six month old nursing filly at her side. She matured into a bulky competitive horse with a "let's go down the road" attitude. Competitive riding was not her sport. Even though her conformation was not 'ideal' for endurance, her attitude was definately endurance. This proved a valuable asset as endurance has been 'her thing.'

As of 1982 she has 1,895 AERC endurance miles and 165 competitive miles. She has 38 starts in endurance with 34 completions, 2 wins, and 2 Best Condition awards. She was AERC Midwest region Top Ten in 1979, 1980, 1981, 1982, and UMECRA Top Six in 1981 and 1982. Marsha Achenbach
