Types of events Competitive

My husband and I both ride competitive. We have been riding long distance for 5 years. In 2007 we both placed in the Top Ten Rookie - Competitive.

In 2009 & 2010 I was fortunate to place 1st in Lightweight Competitive in MnDRA and Top Ten Competitive Lightweight in UMECRA.

Special interests. My husband and I are very interested in providing the best nutrition and conditioning possible to help our horses do their best in the competitive events and in running our horses barefoot using the "natural trim" approach.

Bred of Horse. My husband and I both compete on part Arabs: my mare is a 3/4 Arab - Warmblood cross, and my other horse is a 1/2 Arab - Oldenberg cross
