

Joslyn Seefeldt

Hi! My name is Joslyn Seefeldt and I have been involved in distance riding since 2003. For 6 years I competed on only 1 horse, a Paso Fino gelding. The bulk of his mileage has been in Limited Distance, over 2000 miles and about 500 endurance miles. I am a back of the pack rider, riding for completions and mileage awards. In 2008, Bert was AERC Limited Distance mileage champion with over 810 miles.

Last year I began competing a 7 year old Arab gelding in competitive trail with the goal of moving him up to endurance mileage this year. We finished off the season by doing a 40 mile competitive ride.

I really enjoy the multi-day endurance ride. I feel it really teaches riders and their horses how to take care of themselves.

I am actively involved in our distance riding organizations, serving as a Director for UMECRA and as president of DRAW(Distance Riding Association of Wisconsin).

I love to help riders get started in our sport. I will warn you that it is a very addictive pastime!

Please feel free to contact me with any questions or concerns you have about our sport.

Welcome!!!
