

Wes Elford

Started vetting rides in 1984.

Started riding rides in 1986 and these were all comp rides.

Started to do Endurance in 1990. Rode my first and only 100 in 1995.

Have been doing only 50's since an injury in 1996 and subsequent surgeries.

I vet a lot of rides and understand Endurance riders and Endurance horses.

I am a 4* FEI vet and enjoy the sport from all angles.

I serve on the AERC vet committee and can explain the theory and philosophy behind the rules and regulations that govern our sport.
