4 Rider reps

Anyone interested in one of these positions should write a 'letter of intent to run' and submit it for the following NL for all members to read. UMECRA MEMBERS:

Please help the UMECRA officers!

There are several processes and procedures that have been established to keep our organization running smoothly. To assist with keeping information accurate, several forms have been created for our membership to use; (membership forms, horse nominations, 100-mile horse, etc.) It is important that when members pay annual dues, nominate a horse, etc, that the proper form is completed and sent along with the check to the secretary/treasurer. Any checks received without the proper form will be returned to the sender. The forms hold information that is needed for our internal records; please use them and help us! Thank you!

MEMBERSHIP FORM:

Note: there is an updated membership form in this newsletter and on the website with THREE NEW sections to complete:

- On the bottom of the form, members can choose to receive the ride book in spring of 2010 via CD format instead of paper. Help us save trees! The CD will be indexed for easy use. Circle your choice of CD or Hardcopy (paper).

- The default format for the newsletter in 2010 will be email. Please note that if you want a hard copy newsletter you need to check the box on the form.

- Please check Renewal or New Membership

RIDER REPS:

Only one person has nominated for one of the four rider rep positions on the Board of Directors. This is your chance to be a voice of the riders. Please consider this opportunity to bring new ideas to our sport and organization. To nominate a member; send an email to Jill Feller at jfeller@nconnect.net or call her at: 920.948.9502.

Voice of the Rider!

I have been approached by several riders with the question "Why are there not more awards and weight divisions in Limited Distance"? "This division has the MOST entries and pays the bills at a lot of rides. Can it be changed?"

The reason it is that it now matches AERC - EXCEPT - they only give mileage awards and we give points and completion.

Can it be changed and still comply with AERC? Why not? Could we have weight divisions and Junior?

Now would be the time to let your Board of Directors know your wishes if you want changes

for next year. Peaceful changes come about by following the proper channels.
Let your voice be heard!

Rider Rep Resumes!

Maxine Bernsdorf:

It has been a pleasure to represent you as your Rider Rep in the past years. It is the responsibility of the RR to listen to your concerns and comments and bring that information before the Board of Directors. I am available to do so via Email, phone or in person at many rides. Your vote is appreciated.

Voice of the Rider in the Newsletter is also your place to be heard. Use it today to say something nice about a ride or rider or to express an opinion. Good news is always welcome!

My Sweet Po!

Many of you may not recognize my name or the name of my beloved companion of 24 years....Alpo. And if any of you have spent much time with Jan and Grace, I am sure his horror story has been told....to be followed by the fact that the sweet little pony never appeared to anybody else as a "dangerous horse". And we all know that Jan can and will ride anything so for her to refer to him as dangerous must mean he is.

Alpo was rescued by Jan and Grace in hopes of making him one of their many great endurance horses. I'll let Gracey tell the rest of that story, bottom line he didn't work out so well for them. Knowing how crazy and brave my aunt Lori is, they gave her a call as his last hope of remaining on this earth. Lori agreed and anxiously awaited the day she was able to go see him and bring him home, 6 months later. It took that long to catch him in the pasture.

I don't remember a whole lot of the details in the training of Alpo, all I remember is that I was a little girl who saw this lonely horse needing a friend instead of a trainer. I was not allowed to ride him due to the fact that he managed to dump everyone that got on his back, but I made friends with him mostly hands off. He didn't like to be caught or touched or even looked at, so I didn't. I simply sat in his stall and talked to him softly (which as anybody who does know me will know that is difficult for me) and read to him.

Over the summer there was definitely a bond forming and my aunt could see that, I finally got the ok to ride him. And so I did for miles and miles and miles. I am not writing this to let you all know how many miles this little horse carried me or how many championships he won for me, but how this doomed horse who hated everyone decided that all it took was one person to make him take a deep breath and enjoy life, something he knew nothing about. We were best friends, I told him my sob stories and my happy stories, he heard about cross country meets and proms and just shook his head when I cried about the boys who broke my heart. He knew as soon as I climbed on his back that none of that other stuff mattered.

There are not many people who can share a bond with another creature as the bond I shared, and continue to share, with Alpo. I trusted him completely, on and off the trail. I had to make a hard yet necessary decision on Sunday, September 20 to put my sweet Po to rest and let him go at the age of 30. Thank you to

everyone who has been there through the last 24 years of his life and for all that everyone has done for him.

Had it not been for Jan and Grace who originally rescued him or Lori who never gave up on the little shit that made everything as difficult as possible for her, this little pony would have never experienced happiness. He was one in a million, and I know I am not the only one who will miss him.

Reminder from your Points Keeper...

1) Rookie Standings will be posted online after Dec 5th as there is a conflict. 2) Riders have until Dec 4th to let me know of any changes that will change awards. As we will be ordering awards and cannot change the orders after this date.

HALF-ARABIAN HARABI RED PEPPER

*If you are a serious endurance competitor
this is the horse you should consider.*

Red Pepper's dam, Hot Pepper+/- accomplished all this in only 3 years.

- Reserve U.S. National Champion Competitive Trail
- Top Ten U.S. National Champion Competitive Trail
- Regional Champion and many overall high point awards
- Reserve Championship and Top Five in Competitive Trail
- Top Ten UMECRA Junior Rider 4 times.
- Legion of Honor
- Supreme Legion of Honor

Red Pepper is just as nice as his dam, if not better. He is a flashy chestnut with 4 white socks and he has lots of practice conditioning at Farmdale. Red is a horse for someone serious about competing. I believe this horse will surpass his mother. He is strong and has a sound mind. 2 months professional training with Brian Scoggins Training Center in Tuscola, IL this summer. He bridges and transitions well from the walk, trot and canter. This horse would also make a nice hunter/jumper or dressage prospect. Red is kind, has no vices and hauls well. I want to see him go all the way to the top in endurance or trail. He can do it! His nickname is "Traveler". *Serious Inquiries only please.*
