**Travel Directions:**

From Highway 8 at St. Croix Falls Wisconsin, turn onto Highway 87 north and proceed through downtown St. Croix Falls. Stay on Highway 87. After you pass through the small town of Eureka, proceed about three more miles north on Highway 87. Turn left, or west, onto County Road G (also known as 240<sup>th</sup> Avenue). After about three and a half miles, you'll come to the end of the road, at which point, the cross road is the River Road. Turn left, or south. After a few hundred yards, you'll see the Wolf Creek Bar on the west side of the road. Turn into the parking lot—the trailer parking area will be behind and to the west of the bar general parking area. Please do not park trucks or rigs in the bar general parking lot used by its customers.

**Camp parking and clean-up:**

There will be no reservations for parking spaces. Parking will be on a “first come-first serve” basis. As we increase rider numbers, and as many of us seek the comforts of larger rigs, we must all do our best to optimize the use of space. Don't take offense if the ride steward asks you to park a little closer to your neighbor, next to someone that snores or isn't typically on your twitter list. Ride management asks that everyone help us treat the property with the utmost respect and cleanliness, showing that we want the privilege of coming back again. Dogs must be kept on leashes and away from the bar. Remember, our host is running a business and will be receiving other customers, so behave responsibly—any unprofessional conduct, excessive /embarrassing indulgence in the bar, or unsatisfactory Minnesota/Wisconsin displays of rivalry will be frowned upon. The ride will also be conducted with a “no- griping” policy. If there's a shortfall or weakness, everyone pitch in—we'll need your help and support in order to make the ride into a great experience for all. Those who exhibit an ugly attitude, verbal abuse of volunteers or bar staff, poor sportsmanship or any unsatisfactory equine treatment may also be subject to disqualification at the sole discretion of ride management and veterinarians!
