NEW CAMP LOCATION:

We are staying at the beautiful and historic Wade House in Greenbush, WI. Camping will be primitive/rustic in huge, open, well-drained, tree-lined fields accessible via gravel roads. There will be a controlled start for all events so horses are escorted through “town” (small stretch along road).

TERRAIN:

The trails of the Northern Kettle Moraine Forest offer a wide variety of terrain and scenery – everything from grassy, rolling open spaces to wooded areas with challenging hills. Parts of trail are rocky – shoes recommended. We do as many checks as possible out of camp so you see lots of the trail – crew bag shuttle service offered/water at checks. Come enjoy one of the oldest and most beautiful 100 mile rides in the AERC!
