On State Hwy 4, 6 miles south of Fairfax, take Cty Rd 21 west. Follow signs into the park. Pavement turns to gravel and goes north out of the park. Keep following that road! Horse campground is 3rd road to the right(610th). **The Park doesn't make reservations online. Camping is on a first-come basis.** Everyone's been great about conserving space and we fit everyone in. You won't be turned away. Water and electric at developed campsites; bathhouse has hot showers/flush toilets; bring efficient enclosures for horses. Solid or electric fences permitted. There are high ties at most sites. Remember: State Parks require state stickers and trail passes. Stop at office on your way to base camp. If you come in late, we'll have registrations at ridecamp. Big rigs beware...the turnaround is tight, so get there early. Trails have good footing – grass, dirt, woodchips, some gravel. Wonderful hills, water crossings and scenic overlooks. Natural water and tanks available on the trail. As usual, we're working on some fun, new trails for you.    \*\* Coffee and goodies available for everyone.\*\*
