

UPPER MIDWEST ENDURANCE AND COMPETITIVE RIDES ASSOCIATION

A Note From the President

I just want to express a sincere thanks to all the ride managers of UMECRA for their diligent work the past seven months. Without all of you putting in so many hours of time, this sport would not be possible. Thanks to the vets for your continued dedication to this sport. Thanks to all the volunteers who help the ride managers. Us ride managers know every hand helps. And thanks to the riders who come to the rides through sweltering sun, rain, sleet and snow.

Our UMECRA family has had a number of members face some pretty serious injuries this year. Continued thoughts and prayers should be aimed their way for progressive and thorough recoveries. See you at the banquet in January!

Are you ready to give back to UMECRA?

The following positions will be voted on at the 2013 UMECRA convention:

- **Vice President**
- **Secretary/Treasurer**
- **IL Regional Director**
- **MI Regional Director**
- **2- Director at large positions**

THE RESULTS ARE IN!!!

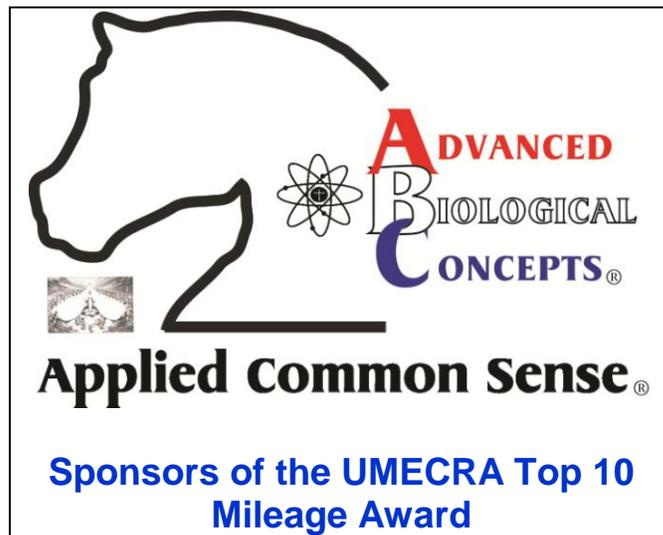

CONGRATLATIONS to all the horses and riders who have earned year end awards.

REMINDER:

Awards are given out at convention and are NOT mailed. No – not never! If you cannot attend please make arrangements for someone to pick up your chevrons & awards. We are NOT responsible for lost or leftover items.

A special “Thank You” to the pointskeeper, Robin, for her hard work. And, THANK YOU to all the members of the awards committee and the convention chairman who pull this whole thing together. Come and have a fabulous time!

Awards,
Max

To Be Discussed at Convention

Approximately a year ago a request was presented to the Board of Directors to add a division for riders no longer eligible to place in the Novice division but not able to ride longer distances.

This request was turned over to an open committee to investigate – thus the option of

“SHORT COMP” was developed after MUCH discussion.

The purpose of this new division would be “to provide a place for horse and rider combination that cannot or chose not to compete in longer distances to work for yearend awards.”

Taken into consideration are horse and/or rider with possible age or physical limitations and inclusion of more breeds of equine.

UMECRA would benefit with retention of members and acquiring new members thus resulting in more ride entries.

All comp rules would apply with exception of 10-15 mile distance limitation.

Year end awards would be to top 5 riders with no weight or Sr. or Jr. division. This could be expanded in the future based on rider participation. This division could be offered on a trial basis (this has been done with other divisions).

We need the feedback from riders as well as ride managers in order to bring this division to a vote at the annual meeting in January. PLEASE respond to ALL members of the BOD with both positive and negative opinions ASAP.

This is your opportunity to let your voice be heard.

Presented as your Rider Rep;

Max

BIG RIVER RIDE OCTOBER 27, 2012

This ride is a perennial favorite for Midwest Riders and this year was no exception. Over the last three months I had been conditioning and preparing my show horse Ethan for this ride as his first LD. Friday morning I loaded Ethan into the trailer. In the process Ethan stepped on my big toe – ouch! I figure I've got a 3 hour drive ahead, plenty of time for my toe to heal, so away we go. The drive went quickly and miraculously I found the campground without getting lost (I frequently get lost). I pull in, find a nice spot for the rig, and get parked. As I walk around the trailer, I notice something is amiss. Oh great, the drop down window on the tail side is a twisted mess and there is a new dent in my new trailer. Ride Manager Tony Troyer to the rescue, he makes the time to help me get my mangled window off its last remaining hinge. Not to worry, I'm at the ride and it's supposed to be a cool but beautiful fall day for a ride tomorrow with no rain in the forecast, the window will get fixed once I'm home. My big toe still hurts but hey – who cares once you're in the saddle.

Ethan is settled in his pen munching hay and I head up to get registered for the ride. Registration went smoothly under the watchful, ultra organized Robin Schadt. As I am hanging out chatting, someone says – oh good you're here, Linda Mower has your dinner. My ears perk up! Way back in January at the UMECRA convention I bid on and won a "cowboy dinner" made by the Mowers. The original plan was to have this dinner at Lincoln Trails but when I couldn't make that ride, I completely forgot to tell Linda I wouldn't be there. Long story short, not only did Linda fix a cowboy dinner at Lincoln Trails which other riders got to enjoy in my absence; she went above and beyond all expectations and made a second dinner which Eileen Kirsch and I thoroughly enjoyed. WOW, this was completely unexpected and a wonderful way to end the season. If Linda donates another cowboy dinner at this year's UMECRA convention, watch out as I'll be bidding to win that prize again!!! Cornish Hen with dressing, corn casserole, turnip slaw and finished off with apple pie.

My luck had turned around and I went to bed with a full belly, ready to ride in the morning. Ethan and I partnered up with Jane Huff and her beautiful 4 yr old half Arab, Hollywood. We would be each other's baby sitter, and planned to take it easy. The first loop, always the hardest, went really well considering we were both on green horses. I will admit, Jane's 4 yr old really had it together and was a big help for my 10 yr old greenie. The second loop is when things got interesting for me. We decided to canter a bit down the sand road when Ethan decided to buck. In my head came the instant image of rodeos and horses flying high as I hit the ground. As I flew off, I did my best to keep hold of the reins but finally had to let go. Back of head went thump – always wear your helmet! Ethan just went over to the clover and started eating, allowing Jane to ride up and get his reins without incident. I remounted and off we go at a canter. I now realize I have sand down my riding tights with 8 miles to go! There is nothing I can do about the sand but I'm motivated to finish the ride! Jane keeps asking if I'm okay from my fall. I'm feeling good but know I'll be sore in the morning and hey, by then the ride will be done and I'll be home. Thank you Jane for sticking with me and Ethan, it was great riding with you. We finished the ride with a half hour to spare and Ethan scored all A's from the vets. What a wonderful way to finish my ride season! Thank you Tony, Dr. Wes, Dr. Cindy, and all the volunteers who make this ride possible.

Ride Managers - please make sure you list all ride sanctioning clearly on your ride flyers. (AERC, UMECRA, MDDA, DRAW, MnDRA, others as appropriate) If you've already sent in your ride flyer, let Jeanne Crispin (Sanctioning Coordinator) know and provide an updated flyer.

UMECRA Shout Outs!

Hi! I just wanted to say thank you for putting on such a nice ride (Oak Leaf Run) and being so helpful to me and my horse. I appreciate the amount of work it must have taken to organize everything and mark all those trails. (Don't listen to the camp manager; those trails were marked perfectly - not overmarked at all!!)

I just couldn't make it to the awards dinner. I was so cold and tired that going out into the rain again, well I just could not do it. I fell asleep once I got warm. :)

Thanks for making our first experience in the sport a very positive one. I am really looking forward to next season now and I will definitely attend your ride again and maybe bring some friends along.
