

UPPER MIDWEST ENDURANCE AND COMPETITIVE RIDES ASSOCIATION

From the President

Just a quick note this month about some decisions that have been made and a few things that the UMECRA Board of Directors (BoD) continue to work on:

2021 CONVENTION – the BoD has **decided to cancel the 2021 convention** because of the continuing concerns related to the Covid-19 pandemic. Given all of the uncertainties surrounding the pandemic and the predictions that it may be worse come winter, the board decided that it is in the best interest of everyone's health and safety to fore go a convention. While there will not be an in-person celebration of member achievements for the 2020 ride season, the BoD is committed to seeing to it that awards are given and that some type of recognition of those achievements be made. Stay tuned for future details regarding awards.

ANNUAL MEETING – like the convention, the BoD is being challenged to find a way to hold UMECRA's annual meeting. As of this writing, the board is seeking information from all RM's as to their preference and availability to participate in a virtual meeting, (such as Zoom) or try and hold a "paper" meeting where all pertinent information and decisions are made via mail. Each head RM of 2020 should have received an email from me requesting your feedback in regards to this. If for some reason you did not get the email, please let me know (jwagner288@wi.rr.com) and I will forward it to you. It is very important that we hear from you so that the board can develop a plan that will meet the needs of our organization and allows as many voting members as possible to participate.

ELECTIONS – UMECRA's bylaws require that elections for the Board of Directors and Officers be held at the annual meeting. In 2021, the following board positions are open for nominations to be made: **Vice-President, Secretary, Ill. Representative, Mi. Representative, and two At-Large Representatives.** If you are interested in any of these positions, or would like to nominate someone for one of these positions, please forward your nominations or possible interests/questions to me. Serving on the board is an excellent way to give back to the organization and ensures that the tenets of our organization will continue with new ideas and fresh perspectives.

RIDE SANCTIONING FOR 2021 – forms for the sanctioning of rides in 2021 are scheduled to be sent to RM's in the **last week of October via email.** If your email is not current, you need to forward the correct one to me or you will not receive the information. **Sanctioning forms must be returned by November 30, 2020.** All of the information needed to complete the forms and to whom you need to return the forms will be included in the email when you receive your sanctioning forms.

Please remember to forward your thoughts, questions and comments on to me or other BoD members, particularly regarding the annual meeting.

There are many challenges that lie ahead for all of us with this pandemic and the uncertainties it causes. But if we can continue to be patient and work together, we will persevere.

Jon Wagner

UMECRA President

1000 Mile Horse Information Update

Your Attention Requested – there is a deadline

Robin Schadt and Nicole Mauser-Storer have been working to consolidate the 1000-mile horse records into one source and get the information all online. This has been a difficult process as records over the years have been stored in a variety of ways and methods. You will have until the end of the 2020 ride season to take a look at any 1000-mile horse records for your horses and make a specific set of updates. When this ride season ends, anything in the records is final.

Keep in mind, that all ride records are final 30 days after they are published and ride season records for all years are final, so we are not updating individual ride records. We will not entertain any requests for “my results for ‘fill in the blank ride’ are incorrect” as those are final and were 30 days after they were published.

What we do need your help with is looking at the records we have and letting us know if there is data missing. What type of corrections will be considered? If you look at the records for “Blaze” and see that all of 2013 (as an example) is missing you will be required to provide proof (UMECRA web records, AERC web records, COMP sheets, or other appropriate pieces) to add that ride season to the horse records. Evidence is needed that it was the correct horse, that the miles were a UMECRA ride, that the rider was at the time a UMECRA member and all the usual requirements for mileage to count in the 1000-mile horse program.

We have already made some corrections and updates in getting the information online. Here is what has been done, followed by a description of how to access the records and check what is reporting for your horses.

The information was pulled from the current horse list and from the website where all horse milestones are listed going back to 1979, with a few years that are unavailable. The horse mileage in the current records was compared to the web milestones. Every horse that has ever been awarded a milestone is now in the database. Some we

were able to obtain AERC numbers for even though they haven't competed in years, and other were too hard to determine. In those cases, the horse has been assigned a Legacy number and the horse number starts with "L".

Where it was possible to determine annual mileage, each horse has their season miles broken out by year. Where it was not possible, a correction year of year "0" (zero) is added into the horse record. If we have records for "Blaze" receiving a 6000-mile award plaque from UMECRA but had no annual records we could find, "Blaze" has a 1000-mile history of 6000 miles in year Zero. If we were able to make an educated guess on the AERC number for "Blaze" that is used, otherwise "Blaze" was assigned an "L" horse number.

Where do you find the information and who do you contact with questions? For questions or updates, please provide THOROUGH notes describing what year(s) are missing, why you believe they should be counted and as much as possible a breakout of COMP, LD and END miles for each year in question. The notes can be sent to Robin and/or Nicole (Nicole - n.mauserstorner@huskers.unl.edu Robin - robinschadt@aol.com)
